Chief Deputy Angie Walters presented a proposed 2018 Budget package to each councilman. She explained that Clerk Lynch and she had visited with the Department of Local Government Finance representative and they had been **advised to cut the 2018 General Fund Budget by \$332,500 and an estimate for the circuit breaker property tax cap of \$410,000 for a total cut of \$742,500.** Deputy Walters indicated that she had cut as much as she could find referencing page 1, the spreadsheet attached to the proposed budgets. She and Clerk Lynch stated that it is now Council's turn to advise where additional cuts should be taken. Many suggestions were made and discussed.

Mayor Weiss indicated to Council that union employees were receiving a raise per the Union Contract and he thought it only fair that all other employees should receive the same raise. He stated that the elected officials (Mayor & Clerk Treasurer) as well as Chief Deputy Walters and ED Al Abdon would not receive a raise.

After lengthy discussion, Mayor Weiss concluded in telling Council to bring suggestions for cuts to him as soon as possible.

There being no further business, Councilman Bowell made a motion to adjourn. With a second by Councilman Mollaun, the motion carried by voice 5-0.
