The Public Hearing was turned over to City Atty Smart. Atty Smart explained that the City of Greendale has gone to the **Lawrenceburg Bond Bank to request a loan of \$4 million for the Electric Utility to do an infrastructure project related to a new substation and new 12kV electric lines and other updates that City Manager Lampert can better describe in detail.** City Atty Smart stated that the Lawrenceburg Bond Bank has agreed to do the \$4 million loan so he created a couple Ordinances that Council would be reviewing tonight. One of the Ordinances is **Ordinance 2019-12 titled: Note Appropriation Ordinance** which requires this Public Hearing that has been advertised. The purpose of the Ordinance is to appropriate the funds that the Electric Utility is receiving from the Lawrenceburg Bond Bank which is \$4 million and appropriate those funds to the Electric Utility for the purpose of the infrastructure project. **This money will be deposited into Fund 630, Electric Construction Fund.**

The purpose of this meeting is to allow the public to ask any questions they may have about this appropriation. You may ask questions to me or to City Manager Steve Lampert.

Mayor Weiss asked if there were any questions from the public at this time. There being no questions from the public, the Mayor asked for a motion to adjourn.

Councilman Abbott made a motion to close the Public Hearing. With a second by Councilman Bowell, the motion passed 7-0.
