After the Pledge of Allegiance, Mayor Weiss reviewed the Gateway Beautification Project information that was supplied by One Dearborn and Context. There was joint discussion by both Boards about the project, the project options & pricing, and about path forward.

Following joint discussion, City Council, by voice poll, decided to hold off on making any decisions until more information was supplied by One Dearborn and the Dearborn County Convention, Visitors & Tourism Bureau about this project.

GRC Member Andy Schoeff made a motion to authorize GRC E.D. Abdon to send a REQUEST FOR QUOTE to Context to provide an itemized quote to include final design, specification, bid management through award recommendation, and project oversight once the construction project is awarded. The BID SPECS are to include all phases of the
